## Corporate Partnership Program 2016 - 2017 SA

Offering your business year-round  
opportunities in our school community and beyond

# Corporate Partnership: Supporting SA and the Community at Large

Salisbury Academy's Corporate Partnership Program is a mutually beneficial program that provides businesses a unique opportunity to spread their advertising message while supporting the exceptional programs and outreach of Salisbury Academy. Our Corporate Partners have their logos displayed year-round on banners in our school, the school's website, sponsor banners in the SA gymnasium, and at our widely-attended spring Bloom gala. In addition, partners are recognized in our yearbook, annual report, and school-wide communication.

Our Corporate Partner support also allows us to partner with Rowan-Salisbury Schools to offer leadership programs that prepare high school students for roles as future community leaders and expose them to new ideas for improving Rowan County.

Additionally, our school supports more than 16 non-profit organizations and provides much-needed volunteer efforts.
