Corporate Partnership Program 2020 - 2021

Offering your business year-round opportunities in our school community and beyond

Corporate Partnership: Supporting SA and the Community at Large

Above: Salisbury Academy middle school students deliver Meals on Wheels lunches to local residents.

Salisbury Academy's Corporate Partnership Program provides businesses a unique opportunity to advertise within our school and larger community. Your investment as a Corporate Partner directly supports the exceptional educational opportunities, programs, events, and stewardship of Salisbury Academy.

"Salisbury Endodontics is proud to support Salisbury Academy because of its commitment to developing learners and leaders. Nothing could be more important to our community's future. We are glad to be Corporate Partners of this exceptional school!"

-Brett R. Henson, DDS, SA Corporate Partner

"Walser Technology Group is a community business, and strong communities start with strong schools. The enriching opportunities that Salisbury Academy provides for students at SA and in the larger community, coupled with the school culture of service learning and stewardship, all make WTG proud to support Salisbury Academy as a Corporate Partner!"

-Brad Walser, SA Corporate Partner

Serving Our Community

Corporate Partner support allows Salisbury Academy to partner with Rowan-Salisbury Schools to offer Broyhill Leadership Program scholarships that prepare high school students for roles as future community leaders. Additionally, your support fuels service outreach to over 20 local partner organizations.

Salisbury Academy has been honored to send 116 high school students from Rowan-Salisbury Schools to the Broyhill Conference over the past 9 years. Participating schools include (above, left to right): Salisbury, Jesse C. Carson, West Rowan, East Rowan, North Rowan, and South Rowan High Schools.
