

Middle School Teacher with LA/SS Focus

Salisbury Academy is seeking a dynamic, passionate, and student-centered middle school teacher who will inspire and instill a love of learning in students. The candidate should be able to teach in a multi-disciplinary setting and possess strong language arts and social studies content knowledge. We seek an educator who is skillful in designing hands-on experiences and utilizes a student-centered model to implement projects, oversee learning, and recognize moments to engage students in growing as learners, thinkers, and collaborators. Candidates should be skillful in the use of diverse teaching strategies and modes of assessment, design exploratory classes, manage groups, interpret data, assess, organize, plan, and clearly communicate. A degree in the field and 3-5 years of teaching experience is preferred.

Responsibilities

- Teach daily 5th and 6th language arts and social studies classes in middle school
- Lead a middle school advisory group for students
- Work collaboratively with colleagues in support of integrated learning activities
- Develop and facilitate activities beyond the classroom to connect learning to the outside world
- Participate in and actively pursue professional development as an aspect of lifelong learning
- Facilitate after school study support for students at least one day a week
- Perform routine school duties including: gym duty, carpool, lunch and recess.

Qualified candidates should send materials to Beverly Fowler, Head of School, bfowler@salisburyacademy.org

- Cover letter
- Resume
- Statement of educational philosophy

About Salisbury Academy

Salisbury Academy is an independent, co-educational school serving students in junior kindergarten through eighth grade in Salisbury, NC. Our experiential learning environment attracts students from diverse backgrounds and nurtures curiosity, community, and character while teaching children to love the learning process. As an independent school, we have the freedom to promote creative thinking in hands-on ways that introduce students to exciting and challenging subjects including art, music, foreign languages, global and environmental education, and technology.

Our students are immersed in experience and participate in over 100 field trips over the course of the school year. Salisbury Academy students are developed as whole beings – intellectually, physically, and spiritually. In addition to an enriching core curriculum in areas such as math, science, history, and English, Salisbury Academy students are provided the tools to make a positive impact on the world

around them as stewards of the community and of the environment. Salisbury Academy is an NC Green School of Excellence, and we are committed to developing conservation-minded students in an energy-efficient and low-waste school facility.

Teachers at Salisbury Academy are afforded the opportunity to form close relationships with each and every child and their parents, thanks to our community environment.

Salisbury Academy offers classes in Spanish as well as an active SEL (Social Emotional Learning) program. Through the eighteen sports offered and the ever-changing, dynamic selection of clubs and electives, every student enjoys opportunities to develop their unique gifts and interests.
