- Preparation of daily classes for a quality program with setup and cleanup each day. Each grade level requires a different set of materials.
- Attendance at faculty meetings
- Attendance at conferences as needed
- Teach Middle School art exploratory class

Qualifications

- Bachelor's degree required
- Minimum of three years teaching experience in classroom art
- Excellent oral and written communication skills

About Salisbury Academy

Salisbury Academy is an independent, co-educational school serving students in junior kindergarten through eighth grade in Salisbury, NC. Our experiential learning environment attracts students from diverse backgrounds and nurtures curiosity, community, and character while teaching children to love the learning process. As an independent school, we have the freedom to promote creative thinking in hands-on ways that introduce students to exciting and challenging subjects including art, music, foreign languages, global and environmental education, and technology.

Our students are immersed in experience and participate in over 100 field trips over the course of the school year. Salisbury Academy students are developed as whole beings – intellectually, physically, and spiritually. In addition to an enriching core curriculum in areas such as math, science, history, and English, Salisbury Academy students are provided the tools to make a positive impact on the world around them as stewards of the community and of the environment. Salisbury Academy is an NC Green School of Excellence, and we are committed to developing conservation-minded students in an energy-efficient and low-waste school facility.

Teachers at Salisbury Academy are afforded the opportunity to form close relationships with each and every child and their parents, thanks to our community environment. Salisbury Academy offers classes in Spanish as well as an active SEL (Social Emotional Learning) program. Through the eighteen sports offered and the ever-changing, dynamic selection of clubs and electives, every student enjoys opportunities to develop their unique gifts and interests.
