Crest/seal

Seal

It is expected that students' attire be neat and appropriate with garments free from holes, rips, tears, torn hems, excessive wrinkles, etc.

Students are expected to follow and adhere to the uniform policy as follows:

- A school polo shirt or school t-shirt is worn underneath the sweatshirt so that the sweatshirt may be removed if the days turn warm.
- Tuck in shirts at all times.
- No hats, sunglasses or jackets (without an SA logo) should be worn inside.
- Shorts must be of proper length.
 - How to tell if your shorts are too short: Stand straight, arms relaxed and straight at your sides. The tip of your middle finger should fall on the hem of your shorts. If your shorts are ABOVE the tip of your middle finger, they are too short, and should not be worn to school. This also applies to shorts worn on non-uniform days. Students not in compliance with the policy will be required to call home and have appropriate clothing brought to change into.

In addition, Salisbury Academy students may NOT wear:

- T-shirts with inappropriate language or scenes (no alcohol or drug advertisement)
- "Sag and drag" pants
- Low-rise pants
- Midriff tops
- Strapless tops or tops with straps less than one inch wide
