

Spanish Teacher

Salisbury Academy seeks a passionate, energetic and creative individual to join our team as the Spanish Teacher for the 2021-2022 academic year. The Spanish Teacher is responsible for providing an effective learning environment through planning, organizing, developing, and assessing a comprehensive instructional Spanish program for children in first through eighth grade. The Spanish Teacher must be knowledgeable about the cognitive and social-emotional development of children in these age groups and possess a firm understanding of Spanish language and culture.

Qualifications

- Bachelor's degree in Spanish, unless native speaker
- Understanding of ACTFL proficiency standards
- Fluency and expertise in conversational and written Spanish
- Demonstrated knowledge and experience in child development and educational practices

Skills:

- Engage students in the interpretive, interpersonal and presentational modes of communication in Spanish, with a particular focus on using the language in real-life contexts
- Foster an enthusiasm for the Spanish language and culture
- Utilize technology to support instruction and assessment when appropriate
- Exhibit a love of working with children in this age group
- Strong classroom management skills, commitment to safety and civility
- Strong desire to participate in the whole life of the school
- Show a great deal of flexibility in working with colleagues and students and sharing classroom space
- The ability to build a strong rapport with colleagues and serve as a collaborative team player
- Excellent communication skills, both verbal and written

About Salisbury Academy

Salisbury Academy is an independent, co-educational school serving students in junior kindergarten through eighth grade in Salisbury, NC. Our experiential learning environment attracts students from diverse backgrounds and nurtures curiosity, community, and character while teaching children to love the learning process. As an independent school, we have the freedom to promote creative thinking in hands-on ways that introduce students to exciting and challenging subjects including art, music, foreign languages, global and environmental education, and technology.

Our students are immersed in experience and participate in over 100 field trips over the course of the school year. Salisbury Academy students are developed as whole beings – intellectually, physically, and spiritually. In addition to an enriching core curriculum in areas such as math, science, history, and English, Salisbury Academy students are provided the tools to make a positive impact on the world around them as stewards of the community and of the environment. Salisbury Academy is an NC Green School of Excellence, and we are committed to developing conservation-minded students in an energy-efficient and low-waste school facility.

Teachers at Salisbury Academy are afforded the opportunity to form close relationships with each and every child and their parents, thanks to our community environment. Salisbury Academy offers classes in Spanish as well as an active SEL (Social Emotional Learning) program. Through the eighteen sports offered and the ever-changing, dynamic selection of clubs and electives, every student enjoys opportunities to develop their unique gifts and interests.
